## About CHS

Cambridge Home School Online (CHS) is part of the Cambridge Online Education Group, established in 2002. With over 20 years of experience, the school provides a structured British curriculum, delivered by highly qualified teachers in small, interactive classes. Students benefit from a flexible learning platform, allowing them to study from anywhere in the world at the click of a mouse. Our students range from explorative travellers to elite sportswomen and equine enthusiasts, making up our thriving community of online learners!
